Professional & Trustworthy**

ABOUT NEWSUN

Founded in Los Angeles, USA in 1994, Newsun Group is specialized in research, developments and market services of automotive bearings. Up to now, it has established 12 companies all over the world (of which, 6 companies in China Mainland). It has also established many exclusive shops, sole agents and branches in 33 countries. "Newsun", as well known bearing brand, is registered over 50 countries and highly appreciated and welcomed in 106 countries and regions. Its main products include tensioner bearing series, clutch release bearing series, hub wheel bearing series, motor bearing series, one way direction auto bearing and special auto bearing series for shock mitigation system. Of these products, hydraulic clutch release bearings, and special bearing assembly for hydraulic brake system, and hydraulic tensioner series have reached the world leading technical level.
